

One-Click™ Cleaner SC Instruction Manual

Thank you for choosing the **One-Click™ Cleaner SC**. The **One-Click™ Cleaner SC** is a high-performance device designed for cleaning the ferrule end faces of SC connectors, ST connectors and FC connectors. Carefully read this instruction manual before using this device. Please keep this instruction manual for future reference.

1. Safety precautions

Though our device is deemed safe, improper usage or handling can still inflict injury to others.

One-Click™ Cleaner SC is designed to clean SC connectors, ST connectors and FC connectors. Fujikura is not liable for damage caused in attempt to apply this device to other applications.

2. Notes on usage

Do not attempt to disassemble as this can cause damage to the device.

Do not re-use cleaning cloth as this will eliminate its cleaning ability.

Do not touch the cleaning cloth as this will cause contamination.

Do not pull the cleaning cloth, use only the device body.

Do not use this cleaner when the cloth is empty, as this can cause damage to the connector.

3. Notes on storage for extended periods

Do not expose device to direct sunlight, high temperature or high humidity.

The cover on the guide cap should be closed at all times when device is not in use.

4. Sales enquiries

Fiber Optics Components & System Div. Fujikura Ltd
